

Template for IRB language for ResearchMatch

Complete the following fields and submit to the IRB as an amendment. This amendment must also include a notice to the IRB that you will be using ResearchMatch as recruitment tool for your study.

Please remove any of the fields below that do not apply to your research study.

The information entered must match the information provided to the subjects in the consent form.

- Title:
- Purpose of the Research Study:
- List of diagnostic procedures involved:
- Length of time of commitment to the study:
- Investigational Drug or Device:
- Compensation:

NO OTHER INFORMATION CAN BE INCLUDED IN YOUR INITIAL CONTACT WITH POTENTIAL VOLUNTEERS VIA ResearchMatch. ResearchMatch UTILIZES A UNIQUE PARTICIPANT CONTACT MECHANISM THAT PRESERVES ANONYMITY OF BOTH PARTICIPANT AND STUDY TEAM UNTIL THE PARTICIPANT CHOOSES TO RESPOND TO A RECRUITMENT INVITATION. THE INITIAL PARTICIPANT RESPONSE OCCURS DIRECTLY THROUGH ResearchMatch, THEREFORE NO CONTACT INFORMATION FOR THE PRINCIPAL INVESTIGATOR OR ANY OTHER MEMBER OF THE RESEARCH TEAM CAN APPEAR IN THE LANGUAGE USED FOR THE INITIAL RECRUITMENT INVITATION.

THE ABOVE TEMPLATE FOLLOWS THE WCMC IRB GUIDELINES FOR RESEARCH STUDY ADVERTISEMENT.
